Food Mania

We have chosen the perfect venue to put up our fashion festival, because Infiniti Mall, Andheri has a vast food court with scrumptious cuisines at great prices! If you're looking for a quick refuel during your scavenger hunt of finding your perfect outfit, be sure to find yourself munching the best of food at the food court, from the best food chains!

Design Bar promises a whole new twist to fashion. Our stalls have been claimed by some of the most creative and upcoming designers who are ready to pull all strings to bring you the trendiest and edgiest fashion that will simply blow your mind! Wide range for all ages

If you're worried about entering a pop up exhibition and seeing only "youngster" or "aunty" fashion, you're very wrong! Design Bar has tried its level best to maintain a balance between young and mature, making sure no one leaves us disappointed. Trendy and age friendly is our motto!
